Important

Rules & What to Know When Renting

- All prices are subject to change.
- Equipment must be picked up within 30 minutes of the reserved time or it will be rented to the next person who wants that item. If you will not make it on agreed reservation time then please call and we will adjust the time for you.
- All equipment must be brought back full of fuel or a refueling charge will be added to your total.
- Four hour minimum for all equipment. Day Rate is for a 24-hour period.
- On equipment with an hour meter: 8 hours shown on the equipment's hour meter is equal to a day's worth of rent.
- Weekend Special: Rent any equipment after 2:00pm on Friday or anytime Saturday and return by 8:00am Monday for a day rate. Hour meter limits still apply.
- Delivery is available Monday-Friday if needed. Please call at least a day ahead of when needed for pricing.
- Equipment can only be returned during normal business hours.
 - We are open 7am-5pm on weekdays
 - We are open 8am-Noon on Saturday
 - We are not open Sunday
- Please return equipment cleaned or a cleaning charge will be charged. This applies to all equipment.
- Customers are responsible for purchasing additional blades for the sidewalk edger. The rental fee only includes the one attached already.
- Equipment not returned within the agreed amount of time will be subject to additional charges. Please call if you are going to be late.
- You will need a pintle hitch for the wood chipper, excavator trailer and the dump trailer.
- You will need a 2" ball for all other towable equipment.
- You must wear the safety harness that we provide when renting the boom lift or scissor lift.
- If you rent a rental piece with a key or other additional items, and forget to bring it back, you may be due for additional charges depending on length.
- The renter is responsible for risk of theft, damage, loss, or destruction of an item from any and every cause and will be charged.
- If you have rented a rental piece and need it longer, but don't inform us, we will have the right to call the police to handle the situation.
- If you repeatedly cause trouble with us, we will have the right to label you as an "undesirable customer" and not rent to you for the future.
- If you have problems with a piece of rented equipment please stop using and call us. DO NOT TRY TO FIX YOURSELF.
- How-to videos and other information are provided on our website (www.middletoncoop.com) or you can give us a call (608) 831-5059, if you have any questions.
